### PRICES

The basic party package is £170 .

## BOOKING PROCEDURE

If you decide once reading this pack, that this is of interest to you, have a quick think of dates that would be convenient for the party. (We normally run our parties on a Saturday or Sunday.)

Then give us a call on 0845 0945785 and we will run through the locations and dates available.

Once a date, time and location has been established we will take your details such as name, address, email, telephone number, child's name and number of children to attend the party (this number can be changed and will be confirmed nearer to the date of the party). All this information is then put on a booking form and this is then sent or emailed to you.

You will need to check the details on the booking form and then send it back to us with a cheque of half the total amount as deposit or you can pay by debit card over the phone (£1 bank charge will be added if paying by debit card)

Also sent to you will be additional food menus and a list of party games, so we can create the perfect party for you child.

The booking will be confirmed again once deposit cheque has been received, either by telephone or email, and the invites sent to you.

You will then receive a call or email generally a couple of weeks before the party to confirm numbers, and then a courtesy call, in the week running up to the party.

## WHAT HAPPENS ON THE DAY

On the day of the party, we will arrive at the venue 30 mins before the party is due to start to set up.

When the children arrive they will be greeted at the door by a member of staff who will give them a name badge and ask them to remove their shoes and socks (health and safety).

We will also ask the parents who are leaving their children to write down their contact details in case of emergency.

## FIRST HALF

The children are able just to play and familiarised themselves with the equipment for about 5 – 10 minutes.

We then will gather all the children up and introduce the staff, point out the toilets and explain the party. Then there will be one hour of supervised party games and supervised play on the equipment. (The games depend on the age of the children)

Example of games we may play:

- Hokey Cokey
- Duck, duck goose
- Musical statues or musical bumps
- Hoop to hoop
- Relay races (using the soft play equipment)
- Sticky it
- Limbo dancing
- Beans (action game)
- Simon says
- Sleeping lions
- Parachute games

With in this first half we always have a drink normally during a game.

FOOD – we normally allow 30 minutes for food, drink and the Birthday cake.

## SECOND HALF

We have thirty minutes to play more games; we normally have bats & balloons, footballs and goals and also the parachute to play with.

The party is then finished with all the children sat in a line or two lines ready for party bags and parents to collect them.
